

Wye Valley Music

Concert Sponsorship

*Help keep local Chamber Music alive and vibrant;
help advance the careers of young talented artists.*

Wye Valley Music is keen to maintain the frequency and standard of the Chamber Music and other concerts it presents. Also to continue to offer performance opportunities to young professional musicians and to talented artists at the start of their professional careers. Our annual programmes are put together with these two aims clearly in mind.

However, changing circumstances are making it more difficult to sustain this by relying solely on the proceeds of concert admissions and programme advertising, so we are launching a **Concert Sponsorship** scheme.

We will publish lists of forthcoming concerts from time to time and invite would-be sponsors to offer sponsorship of between £100 for smaller-scale concerts and £300 or more for our more advanced events.

By becoming a sponsor - as an individual, a couple, a small group or a business - you will be helping to secure the sustainability and success of Wye Valley Music and the developing careers of young artists.

In return for sponsorship we will offer:

- Acknowledgement in the programme of the event you are supporting: e.g. GENEROUSLY SUPPORTED BY....
- Two complimentary tickets to your chosen event, with reserved seats, plus another two reserved seats for companions buying their own tickets through you;
- A free programme (as sold at most events);
- A year's membership of Wye Valley Music for one person;
- Priority choice for sponsoring one of the following year's events.

Applications for new Sponsors will open each year in May; previous Sponsors will have already been given first pick so if you would like to sponsor a concert it would be worth contacting us as soon as possible to let us know of your interest: please e-mail our Chairman, Martin Fenn-Smith*, in the first instance.

We will get back to you to discuss options, and greatly look forward to welcoming you to our Concert Sponsorship scheme!
