BEST KNOWN GUITAR DUO" – DAILY TELEGRAPH**

The Katona Twins – Peter and Zoltán – were born in Hungary and studied in Budapest, in Frankfurt and at the Royal Academy of Music in London and now live in Liverpool. During their studies their teachers included Julian Bream and John Williams and they are equally at home with strictly classical as with more popular musical genres.

The duo have given recitals in major concert venues throughout the world including Carnegie Hall, Wigmore Hall, the Concertgebouw. In 2009, they were soloists at the *Night of the Proms*, broadcast worldwide.

Summer Concerts 2019

Our two summer concerts feature two pairs of musicians with international reputations as exciting and virtuosic performers.

The first of our Summer Concerts features a genre we've seldom explored – piano duet. Our artists for the concert are the longstanding and highly successful piano duo of British pianist **Joseph Tong** and Japanese pianist **Waka Hasegawa (Piano 4 Hands)**, who have made live broadcasts for BBC Radio 3 and given recitals at most major UK venues as well as a series of critically-acclaimed CDs.

Our second concert features *"The brilliant **Katona Twins...Formidable virtuoso technique...their performances could hardly be bettered for charm, zest, wit and colouristic flair.**"* – Daily Telegraph. On their previous visit to Chepstow their performance was memorable for its varied repertoire, energy and excitement. Their CD releases continue to win critical acclaim.

Do join us for both of these musical summer treats!
