

# Summer Concerts 2018

**The two concerts that conclude Wye Valley Music's 2017/18 concert series could hardly be more different!**

The first, a violin and piano recital by **Siwoo Kim** and **Mishka Momen**, brings a selection of European classical music from Mozart to Messiaen, played by two young but extremely talented musicians who have already made their marks on the world stage.

The second takes us to South America and the modern Tango, performed by the inspired **Karen Street**, one of the UK's leading exponents of the accordion, and her equally talented Tango Band, **Carismático**. Music full of energy, passion and robust romance.

By chance, Argentinian Composer and Pianist, Saúl Cosentino made contact and sent me some of his music to play.
